## **DETAILED ACTION**

### ***Continued Examination Under 37 CFR 1.114***

1. A request for continued examination under 37 CFR 1.114, including the fee set forth in 37 CFR 1.17(e), was filed in this application after final rejection. Since this application is eligible for continued examination under 37 CFR 1.114, and the fee set forth in 37 CFR 1.17(e) has been timely paid, the finality of the previous Office action has been withdrawn pursuant to 37 CFR 1.114. Applicant's submission filed on October 6, 2003 has been entered.
2. The text of those sections of Title 35, U.S. Code not included in this action can be found in a prior Office action.

### ***Claim Rejections - 35 USC § 102***

3. Claims 21-24, 27 and 30 are rejected under 35 U.S.C. 102(b) as being anticipated by Han (5,676,315).

Han discloses a sprinkler comprising: an outer housing 13; a riser 15; a nozzle 31; a pair of mating case members 51, 72; a turbine 23; a drive mechanism 25; a first and second filter 43.

### ***Allowable Subject Matter***

4. Claims 1-11, 13-17, 19, 20, 31 and 32 are allowed.

5. Claims 25 and 26 are objected to as being dependent upon a rejected base claim, but would be allowable if rewritten in independent form including all of the limitations of the base claim and any intervening claims.

### ***Response to Arguments***

6. Applicant's arguments filed March 1, 2004 have been fully considered but they are not persuasive.

Applicant argues that Han does not disclose a pair of mating case members that form opposite halves of a hollow container that encloses the turbine and drive mechanism. Han discloses a pair of mating case members 51 and 72 that form opposite halves of a hollow container. The pair of mating case members 51 and 72 encloses the turbine 23 and drive mechanism 25.

### ***Conclusion***

7. **THIS ACTION IS MADE FINAL.** Applicant is reminded of the extension of time policy as set forth in 37 CFR 1.136(a).

A shortened statutory period for reply to this final action is set to expire THREE MONTHS from the mailing date of this action. In the event a first reply is filed within TWO MONTHS of the mailing date of this final action and the advisory action is not mailed until after the end of the THREE-MONTH shortened statutory period, then the shortened statutory period will expire on the date the advisory action is mailed, and any extension fee pursuant to 37 CFR 1.136(a) will be calculated from the mailing date of

the advisory action. In no event, however, will the statutory period for reply expire later than SIX MONTHS from the mailing date of this final action.
